XVIII. Rules for race:

- A. Race distance is 300 meters, with time counting at snatching the flag.
- B. Water channel is decided by lot drawing, the least time spent one-round race will be the winner.
- C. Channel decision of the final game: final game teams should play at two rounds with two channels respectively and the least time for both races will be the champion.
 - a. First round: Based upon the prior games, the sequence of final teams for channel deciding is first-place team of superiority section, second-place team of superiority section, first-place team of inferiority section, and second-place team of inferiority section.
 - b. Second round: In case of four final teams, first-place team changes the channel with second-place team, and third-place team changes the channel with fourth-place team. In case of three final teams, first-place team changes the channel with second-place team, and third-place team changes the channel with the vacant channel being prepared for fourth-place team.
- D. 30 minutes before the race, each team should take paddling chart and player's name card to Registration Area, and players go to Registration Area to show their appearance. Those players who go to Registration Area later than 10 minutes, will be defined as abstaining from playing and cannot attend any race afterwards.
- E. Team players should be in the destined position as marked in the paddling chart.
- F. Those teams jumping the gun are subjected for the warning for the first time. The second time will be judged as being failed.

- G. Before the judge's gun firing, paddlers should not let paddles in the water.
- H. For flag snatching, the snatcher's body has to stay within the boat. Other paddlers are entitled to snatch the flag in case the snatcher failed. Drummer and helmsman are not supposed for that action. The team without finishing snatching the flag will be judged as being failed.
- I. Those boats which are rowed off the water channel are judged as being failed. In case of more than two team boats are rowed off the water channel, will be judged as being failed and being scored according to their sequence.
- J. Any player falling down the water should be rescued by the team members instantly and is judged as being failed.
- K. Helmsman is not supposed to assist with the paddling and should put the rudder right in the right middle, nor to assist with the flag snatching. Helmsman's inadequate actions fore-mentioned is subject to cancelation and be judged as being failed. Paddlers' gender is not regulated.
- L. Whistles or other sounding materials are not allowed but only playing the drum, those who offended the rule will be subject to cancelation and judged as being failed.
- M. All the necessary stuff such as drum sets, life coats, paddles, rudders are provided by the committee without any personal bringing. Any violation is subject to failure after authentication.
- N. Race cycle, under the same wins and losses.
- a. If the accumulated number of wins is the same for both teams, the winning team will be judged as the winner.
 - b. If the accumulated number of wins is the same for three teams or above, the winner will be decided by the accumulated time period of all games. The least time period will be judged as the winner.
- O. Late registration for race is subject to cancellation of its qualification. The registered team will be directly the winner over the other teams without registering.
- P. Racing teams are suggested to provide helmsmen by themselves. The committee will help provide helmsmen. However, the committee is not responsible for any mistake by the helmsman, nor with any disagreement with the result of the race.
- Q. In case written rules are not provided, disagreement is subject to judges.
- R. Disagreement should be presented within 30 minutes after announcement of the result. A 6,000 NTS is required for the proposal. The fund will be returned to the winning team, otherwise it stays with the committee.
- S. Disagreement will be handed to the judge committee subject to final judge as the winner within an hour.

- T. Protest of player qualification should be presented before the race.
- U. Players are not supposed to double enrollment, if so, they can only play one race.
- V Group leaders, coaches, managers and helmsmen cannot play the game without registering as players.
- W. Drummers and flag snatchers shouldn't be the same player and have to be in the position.
All the paddlers are in sitting position to row the boat.
- X. The committee appointed helmsmen are regarded as official judges, other than helmsman duty, can not act as players, including flag snatcher, drummer, or paddler.
- Y. Nine pairs of paddles are specified as the dragon boat race. If the paddlers are sixteen, the first-pair paddle space should be vacant.
- Z. The minimum number of players must not be less than fifteen, including one snatcher, one drummer, one helmsman and twelve paddlers. Otherwise it will be judged as failure.
- ZA. Inspection of the paddles and supplies should be executed to make sure there is no damage before the race. Displacement is required immediately if there is any damage. Race has to be continued during the race if there is any broken or dropping of the paddles. The performance will be recorded as valid without any permission for re-race.
- ZB. In racing, any player violates sportsmanship, such as: unwilling to paddle, paddling backward, unwilling to paddle to other players' pace, paddling and playing around, paddling and photoing, paddling and quarreling, drumming at drummer's own will, paddling at his/her will, unwilling to cooperate...etc, will be cancelled with qualification. Winning team under such conditions also will be cancelled.
- ZC. The final game is held in two rounds to sum up the scores. The team which offended the regulation and was judged failure in the first-round game cannot attend the second-round game.
- ZD. Both teams or above in the race are judged as failure, among them the teams could be affected promoting, the way to deciding the winner is lot drawing.
- ZE. Racing teams should be subject to registered time for practicing. The team not following the rule, the first time is given advice, and the second time is cancelled the racing qualification.
- XIX. Award: The win team will be awarded with money, cups, plates and prize. The junior high school win teams will be awarded with certificates additionally.
